# How It Works

## What You Do

Introductory call with our head recruiter

Onboard the candidate

Pay the Salary :)

## What We Do

Write job description

Post job

Analyse resumes

Candidate assessment

Interview the candidates

HR

Contract writing

Make Payments to hires

Ongoing daily support to you and the hire

# Our Hiring Process

## **Job Posting**

We write a JD that brings in the best applicants.

## **Screening**

We then send tasks to the top selection for skill analysis.

## **Interview**

We interview a few select applicants.

## **Results**

We introduce you to our favourites.

# Why Choose Us

---

## **No Finders Fee**

Yes, if you hire with us within the next 3 months of receiving this PDF, you won't pay a finders fee.

## **50% less on salaries**

Thanks to lower living costs in South Africa, you pay up to 50% less in salaries. The salaries you pay are 100% fair wages.

## **Support Line**

We are available during the week to answer your question on whatsapp.
